	Subject: DOE Mission Movement (Collaboration) and Loan of Government Personal Property from PPPL to a Domestic entity		Effective Date: October 28, 2016
		Supersedes: MC-003 Rev 5, dated 6/19/14	Initiated by: Head, Material Services
			Approved: Director

Management system (Primary): 08.00 Facilities and Property Management
Management System Owner: Head, Engineering and Infrastructure
Management Process: 08.01 Personal Property Management
Process Owner: Head, ES&H
Subject Matter Expert (SME): Head, Material Services Division

1. Applicability

This procedure is applicable to Laboratory personnel initiating the Mission Movement (hereinafter referred to as “Property Collaboration”) or Loan of government personal property to other DOE offices/contractors, federal agencies, and other domestic organizations for official purposes. Property Collaborations are designated as strictly Department of Energy (DOE) mission related according to contractual terms and conditions. Property loans are for convenience of the recipient and not necessary to support DOE mission. International loans and international property collaborations are addressed in procedure MC-002.

2. Introduction

All personal property provided on domestic property collaborations and loans must be inventoried annually by the domestic organization and inventory results reported to PPPL Property Manager to assure proper accounting of US Government Personal Property. Reporting of inventory results are required for formal Personal Property inventories, unless a loss, theft, damage or destruction occurred to any borrowed personal property (see procedure MC-008). Inventory results are provided by the Material Services Head to the DOE Contracting Officer (CO), or as delegated by the CO or Organizational Property Management Officer (OPMO).

2.1 Domestic Property Collaboration

Government personal property which is purchased and used/utilized, incorporated into an end item, consumed or expended during a DOE mission related domestic activity when covered by collaboration/cooperative agreement for the mission of the DOE are designated as Domestic Property Collaborations. Domestic Property Collaborations may be approved for a period in which the length of the collaborative agreement between the organizations, are validated. In addition, Government Personal Property can be used by local agencies in support of health, safety, or security requirements upon appropriate Departmental notification of emergency conditions. To assure proper control and protection of PPPL and DOE's interests, such Property Collaborations must be approved per terms and conditions of Office of Science Policy Memorandum from C. Melendez regarding Mission Related Personal Property dated August 31, 2015 (available on the Material Services web page) and receive DOE required reviews

(High Risk, Hazardous and Export Control) and be documented through the completion and submittal of the PPPL Property Collaboration Agreement (Attachment #3).

2.2 Domestic Property Loan

Government Personal Property which is not excess and would otherwise be out of service for temporary periods may be loaned to a domestic entity for official purposes that are not designated as DOE mission related according to contract terms and conditions. Domestic loan agreements may be approved by the Organizational Property Management Officer (OPMO) or individual as delegated by the Contracting Officer (CO) for one loan period. Renewals may be requested in three-year increments; the manager of the initiator’s organization reviews and the OPMO or authorized designee concurs with all renewals, but not to exceed the duration of the applicable collaborative agreement. Furthermore; the USGPP must be used to perform research, studies, and other efforts that result in benefits to both the U.S. Government and the borrower but are not necessarily related to DOE mission-related activities. To assure proper control and protection of PPPL and DOE's interests, such loans must be approved per terms and conditions of DOE 580.1A and Change 1 thereto, and receive DOE required reviews (High Risk, Hazardous Property and Export Control) and be documented through the completion and submittal of the U. S. Department of Energy Personal Property Loan Agreement form (DOE F 4420.2). PPPL also reviews property loans and collaborations against the Master Equipment List to confirm that the equipment is not needed elsewhere at the Laboratory.

5. Procedure

<u>Responsibility</u>	<u>Action</u>
<u>Initial Domestic Property Collaboration or Loan</u>	
Lender	1. Submits request by e-mail or web “Request for Property Collaboration or Loan Personal Property Form” (Attachment 1) to PPPL Property Manager (available on Material Services Home Page). Provides name of organization, borrower, title, address, phone, fax, e-mail accounts, personal property number, description (including vendor, model/serial number), acquisition cost, and duration of collaboration or loan. Notes:

	<p>Collaboration – Not to exceed the length of the collaborative agreement/DOE mission with the domestic entity. Loan – Not to exceed three years or length of the collaborative agreement with the domestic entity.</p> <p>2. Provides memorandum of understanding (cooperative agreement), its date of execution and termination. Provides name of Department Head, Division Head and Project Planning and Control Officer/ Project Administrator.</p>
Borrower	<p>3. Provides valid contract, grant number, memorandum of understanding (cooperative agreement) or science education agreement and purpose of domestic collaboration or domestic loan, its date of execution, termination, and location where personal property will be used (not applicable, if information is already obtained by Property Manager).</p>
Property Manager	<p>4. Reviews written request. Complies with the requirements of the Material Services Policies & Procedures Manual requirements for the control of High Risk and Sensitive personal property and the preparation of PPPL High Risk Review Form.</p> <p>5. Completes property collaboration or loan agreement form. Sends copy to Property Coordinator for review.</p>
Property Coordinator	<p>6. Reviews property collaboration or loan agreement and associated property information for accuracy. Verifies information and updates (if applicable). Notifies Property Manager of updates. Retags items (if applicable).</p>
Property Manager	<p>7. Updates personal property information on property collaboration or loan agreement (if applicable).</p> <p>8. Forwards property collaboration or loan agreement for PPPL fabricated equipment to Head, Technology Transfer for patent review.</p> <p>9. Initiates Master Equipment List (MEL) Modification (Attachment 3) for justification, when property was originally purchased for PPPL internal use.</p> <p>10. Assigns the MEL form number, updates MEL listing (Master Equipment Listing records).</p> <p>11. Determines and designates Liaison approvers on MEL form that are appropriate for review.</p> <p>12. Circulates and collects Liaison approvals if accepted or unaccepted forwards to Engineering & Infrastructure Department Head.</p>

Engineering & Infrastructure Department Head	<p>13. If accepted by Liaison approvers, approves final MEL form. If unaccepted by Liaison approvers, investigates impacts to the laboratory (if any) and notifies everyone involved.</p> <p>14. Sends final original MEL form to Operations Center and forwards copy to Property Manager.</p>
Property Manager	15. Updates Master Equipment List as necessary.
Operations Center	16. Maintains original approved Master Equipment List Form (MEL).
Property Manager	17. Initiates Hazardous Property Review Form for Environmental Services to review for hazardous materials clearance.
Environmental Services	<p>18. Reviews personal property for hazardous material and waste and completes Hazardous Property Review Form.</p> <p>19. Submits completed Hazardous Property Review Form to Property Manager.</p>
Property Manager	20. Requests Export Control review from Shipper.
Shipper	<p>21. Prepares Export Control review form and obtains export license (if applicable).</p> <p>22. Notifies Property Manager of Export Control review results.</p>
Property Manager	<p>23. Sends <u>Loan Agreements only</u> to Contract Specialist/HQ DOE Program Office for review and approval/concurrence to offer loan or extension.</p> <p>24. Sends property collaboration or loan to Borrower for acceptance of Property Collaboration or Loan Agreement Terms.</p>
Borrower	25. Has borrowing organization's authorized signature authority sign and return collaboration agreement or loan agreement form to Property Manager.
Property Manager	26. Submits property collaboration or loan agreement to Head, Material Services.
Head, Material Services	<p>27. Reviews and signs (valid) property collaboration or loan agreement. Notes: Property Collaboration not to exceed the length of the collaborative agreement and or Memorandum of Understanding (MOU); Loan not to exceed three years or the length of collaborative agreement or Memorandum of Understanding (MOU) between the domestic organizations. Domestic Property Collaborations – Returns approved property collaboration form and supporting documentation with annual inventory verification to the Property Manager for distribution and forwards a copy to DOE-PSO for information purposes only. Head, Material Services approval is required for previously</p>

	<p>approved domestic property collaboration requests requiring additions, or changes of personal property. Domestic Property Loans - Forwards approved loan agreement form and supporting documentation with annual inventory verification to the Property Manager and to DOE-PSO for appropriate DOE review and approval by DOE Contracting Officer (CO). DOE approval is required for previously approved domestic loan requests requiring extensions, additions, or changes of personal property (collaborative agreement must still be in effect) with notification to the DOE Property Administrator/Organizational Property Management Officer (OPMO).</p> <p>28. Upon receipt of DOE-approved loan from PSO, forwards to Property Manager for distribution.</p>
<p>Property Manager</p>	<p>29. Upon receipt of Head, Material Services approved property collaboration or DOE-approved loan, distributes approved property collaboration or loan agreement copies to Borrower, Lender, Property Coordinator, Shipper, and Planning and Control Officer/Project Administrator.</p> <p>30. Places copy of property collaboration or loan agreement in file and updates PPPL active Property Collaboration or Loan Register.</p>
<p>Lender</p>	<p>31. Contacts Shipping Office, upon receipt of approved copy of property collaboration or loan, for shipping order. Shipping order must accompany item(s) - hand carried or shipped.</p>

Circulates and collects Liaison approvals and forwards to Engineering & Infrastructure Department Head.</p>
Engineering Infrastructure Department Head	<p>55. Approves final MEL form for disposition.</p> <p>56. Sends final original MEL form to Operations Center and forwards copy to Property Manager for Property Collaboration and Loan documentation.</p>
Operation Center	57. Retains approved MELs and Master Equipment List per applicable DOE Records Schedule.

6. Training

Responsibility

Action

Head, Material Services

Ensures the following training is provided.

Target Audience:

Laboratory department heads, department managers, custodians and individuals who perform domestic property collaborations, loans and other domestic transactions for Government Personal Property.

Training Method and Frequency:

- Read only – Upon revision of procedure - Routine distribution/training via e-mail distribution of this procedure to Supervisors by Best Practices.
- Read only – Annual – Contact and Custodian Listings with property information/updates to USGPP processes.
- Verbal/e-mail- Direction supplied on an as needed basis to perform Domestic Property Collaborations and Loans.

7. Records Requirements Specific To This Procedure
